

Meet the Pinecone teacher

This will be my first year teaching at a cooperative preschool, however I have been an educator for many years. For the past 12 years I have been a stay at home mom to my three kiddos; Truman, 11, Lenora, 9 and Harvey, 6. While at home with my kids I taught a play based outdoor class for children 18 months to 5 years old and their guardians. I have a bachelors degree in Elementary Education with an endorsement in Early Childhood Education and a masters degree in Curriculum and Instruction. Before having my first child, I was a kindergarten teacher for eleven years. I am so excited to get back in the classroom and work with families to foster a love of learning and develop a community where we can all learn and support one another.
